

## Our Commitment to You

As our nation faces uncertain and unprecedented times, the safety and health of our employees, policyholders, agents and communities are at the forefront of our minds.

We would like to express our concern to those who have been affected and whose personal and professional lives have been disrupted by COVID-19. As our Farm Bureau families face a time of fear and uncertainty, you can rest assured that we will be here when you need us most. Also please know that Southern Farm Bureau Life Insurance Company is well prepared for the social and economic challenges that lie ahead of us in 2020 and beyond. We are a financially strong and secure Company – as evidenced by our A. M. Best A+ (Superior) financial strength rating.

Our promise to you remains the same...we are committed to our high standards of service and our position of financial strength and stability. We are working hard to ensure that you do not experience any disruptions in the delivery of our services and products.

When we say "Your Friends for Life," it's not just a tag line – we mean it, and we are in it for the long haul! Please contact your local Farm Bureau agency or the home office at (601) 981-7422 if we can be of service to you.
